1. Contest Description

The My LA2050 Grants Challenge (the “Contest”) is a two-part online grant contest that will involve both judging by the Goldhirsh Foundation and voting by the public to help determine the Contest winners. In order to participate in the Contest, applicants must submit ideas, concepts, images, designs, and/or other materials and information, as described in detail below (collectively, the “Application”), to the Goldhirsh Foundation in accordance with the terms and conditions specified herein (such applicants become “Participants”).

The object of this Contest is to select Los Angeles County based projects, impacting one of the five LA2050 Goals (the “Categories” as described in detail in section 8): Making LA the best place to play, Making LA the best place to create, Making LA the best place to learn, Making LA the best place to connect, and Making LA the best place to live. All eligible Applications received will be judged using the criteria described below to determine which Applications will be posted on challenge.la2050.org (the “Contest Site”) for online voting. Of the ten (10) approved Applications which receive the most online votes in their respective Category, the Goldhirsh Foundation will select two Applications to receive a grant of \$100,000 as outlined in the Application by the participant to implement their proposal (ten total). Notwithstanding the foregoing, the board of directors of the Goldhirsh Foundation retains final control and authority regarding approval of grants.

2. Eligibility

The Contest is open to non-profit organizations, for-profit business organizations, and government agencies that operate in the State of California (each an “Authorized Organization”); individuals may not enter in their individual capacity. Any person submitting an Application on behalf of an eligible organization must have the express permission of that organization to enter this Contest and bind the organization to these Official Rules. All voters in the Contest must be residents of the fifty United States and the District of Columbia who are fourteen (14) years of age or older as of the beginning of the Contest Period (defined below). Although the Goldhirsh Foundation may use mechanisms to verify the eligibility of Participants, voters, and Winners (defined below), the Goldhirsh Foundation is under no obligation to verify the eligibility of any particular Participant, voter, or Winner or to take any corrective action as a result of such verification of eligibility.

Technically there can be multiple entries from the same organization, so long as the project ideas are unique. The Goldhirsh Foundation, in its sole and absolute discretion, will make the final determination as to which Participants and Applications are accepted and are eligible to take part in the Contest, to be considered for inclusion in the Voting Period and on the Site, and/or to receive any Grant.

Organizations who won funding in previous My LA2050 Grants Challenge contests are eligible to apply for the 2019 My LA2050 Grants Challenge.
